- October 16 - JP II Auction

Fond Farewell

Mrs. Jussel, our counselor at JP II, will be relocating out of the Kansas City area with her family this summer. This means she will not be with us next year as expected! We want to thank Mrs. Jussel for her calm voice here at JP II and wish her the very best in her new endeavors. We will introduce you to the new counselor in August.

Fundraising Thanks

Thank you all for your hard work on all the various fundraisers this year. Here are the current amounts of profit on some:.

- Auction - \$78,533
- Newspaper Recycling - \$1,398
- Alumni/Parishioner Donations - \$6,750
- Plant Sale - \$7,983
- SCRIP - \$13,282
- Aluminum Cans - \$968

Thank you for all your effort! Let's do it again next year!

Summer Hours

The school office will be open in June on Monday, Tuesday, and Wednesday from 9:00 to 1:00 p.m. We will be closed in July, but checking the phone messages. We will re-open August 4th.

There will be a **Summer Packet** coming home via the mail in July with forms and information for each family.

Also there is a **Facts Management Enrollment** coming in the mail. Please enroll early for your tuition payments. Payments of tuition must be complete by May next year and that means they start in August! However, Facts needs enrollment time, so call their number or go on line when you get the mailing.

Caught Ya

We've caught some students in our school showing gentleness. They are:
Kaitlyn Gemmill Carly White Way to GO!

SCRIP

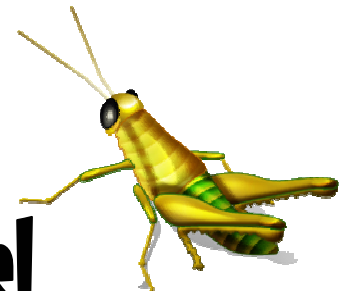

While the school is closed for summer break SCRIP will only be available after Masses at QHR on Sundays. Please don't forget to continue to purchase SCRIP from us! Thank you for your support.

Trash Bags

You can purchase trash bags in the school office when we are open in the summer, or after Masses at both parishes. Remember to recycle through the summer. Save your aluminum pop cans & newspapers. The cans may be brought up to the school and put in the space under the gym steps. Our Can Man will pick them up a couple of times through the summer!

Summer Learning

Don't forget to continue learning throughout the summer! There are many great books out there, many miles to calculate on vacations, many scientific things to explore in the back yard, and much history to hear about all around us. Encourage your children to think it all through! We'll see you again in August.

Enjoy Summer's Wonders!
